

Allegiance

By TJ Williams

I want to rest my soul in You, Father
I am singing with all my heart to You
You fill me with Your Holy Spirit
And show me the way to Your heart

Chorus:

And I know my God is the only one who makes it right
And I feel Him moving all around me tonight
Even though the devil is crouching at my door
My heart is sealed by allegiance to my Lord

I want to take Your Name to the nations
And see Your love fill the earth
I know all the things that you have promised
To open Your heart to all who come
