

I Am Redeemed

By Andrew Lynch, Jordan Lambert, TJ Williams, Josh Graber

Intro: | C | F | Am | F |

Chorus: | C | F |
Here am I, all of me
| Am | F |
Won't You take this life and make it clean
| C | F |
Though my hands are dirty, my heart weak
| Am | F |
Lord, You lift me up, I am redeemed *(Intro)*

1 | Am | C |
I have heard of a way to be whole and free
| F | F |
From the weight of the lies bearing down on me
| Am | C |
So how can I rest my barren soul
| F | F | Am | C | F | F |
When the wrong that I've done seems to have control

2 | Am | C |
So forgive me Lord, for I have sinned
| F | F |
You know who I am and where I've been
| Am | C |
If I come and confess You purify
| F | F | F |
So cover me now with the blood of Christ
