

In You I'm Living

By Josh Graber

Verse 1:

Who is like You, O Lord God Almighty
The Maker of heaven and earth
Who is like You, O God of angel armies
All creation declares Your worth

Verse 2:

Who is like You, O glorious Father
Gave Your only Son for me
Who is like You, Before the beginning
You knew and You planned all things

Pre-Chorus:

No one could expect the way You humbled Yourself in my place
Your life for mine, what a trade

Chorus:

On the cross You took my sin and shame
Conquered death so I rise from the grave
In this life now I no longer live
But You live in me
In You I'm living

Verse 3:

Who is like You, O God of Abraham
You provided my offering
Who is like You, O God of Israel
Even guiding my wanderings

Bridge:

Who is like You
Who is like the LORD
Who is like You
Who is like the LORD
There's no one like You
