Sing and Shout (Isaiah 61)

By Josh Graber

Verse 1:
I was poor and brokenhearted
You came with healing for me
I was chained in darkness captive
You bought me my release

Pre-Chorus 1:
You brought joy to my sadness, and honor to my shame
You clothed me in Your righteousness
And now I wear Your praise

Chorus:
So I will sing and shout because of Your love
Because of Your love for me
And I will praise You God with all that I am
Because of Your love for me
Your love for me

Verse 2:
When seeds grow in a garden
The earth will bring forth fruit
And You will bring forth righteousness
And praise in all the earth

Pre-Chorus 2:
You're bringing joy to my sadness, and honor to my shame
Clothe me in Your righteousness
I gladly wear Your praise

Bridge:
You have given everything to me
So I will give to You my everything
